Select Download Format:

Malaysia's Yacora has been indicted by the FBI for allegedly providing a transcript of a meeting between the company's CEO and a senior Rand Corporation official. The transcript was allegedly obtained through a Freedom of Information Act request. The transcript details a meeting between Yacora CEO and a senior Rand official, where the CEO allegedly discussed the company's plans to acquire Rand's assets. The transcript also details the CEO's efforts to influence the Rand board of directors to approve the acquisition. The transcript is a key piece of evidence in the case against Yacora.
